

Legislation - Audit - Systems - Training

Your Occupational Health & Safety Professionals

Is your business up to date with current OHS legislation?

We can help!

At Occupational Safety Pty Ltd we offer you choice and confidence. Choose from the many products and partnership options and always have the confidence that all your OHS commitments are up to date and in hand.

Qualifications

All Occupational Safety consultants and trainers are highly experienced and qualified in the OHS field. Occupational Safety accreditations include:

- ✕ Work Cover accredited Premium Discount Advisors (PDS)
- ✕ Work Cover accredited Trainers
- ✕ CITAB accredited Continuing Professional Development Points Provider

Services

- ✕ **Legislation:** Updates and interpretation
- ✕ **Continuing Professional Development:** (CPD) provider
- ✕ **Systems:** Individual programs to monitor all your OHS requirements
- ✕ **Audit:** Review your business to determine current status
- ✕ **Occupational Training:** Stay current with ongoing training program
- ✕ **Consultancy:** On site OHS manager for long term engagements
- ✕ **Workers Compensation Premium Discount Scheme:** Save up to 30% on workers comp premium!

Where do we start?

It all starts when we meet to discuss your current and future needs. Once an audit is completed we can offer you a detailed plan of action tailored to suit your individual business requirements. We will assign one of our consultants to your portfolio to discuss the plan of action in detail and co-ordinate all required activities.
